Keynote: Unlocking Tomorrow

How to Get To Your
Future, Faster

→ Tomorrow is Opportunity

"Companies that do not yet exist will build products not yet conceived using materials not yet invented with methodologies not yet imagined. Will you be part of this tomorrow, today?"

That's the mindset that Futurist Jim Carroll brings to this fast-moving, insight-rich keynote that will leave you inspired to get to your future, faster.

Imagine if you could accelerate your way into the future, by clearly aligning future trends, your strategic thinking, and your internal engine of creativity.

That's the insight that Futurist Jim Carroll shares in this keynote.

→ Imagine Tomorrow, Today

This leadership keynote will help you to:

See Disruptive Trends: understand the trends that will impact you in the near and longer-term
Focus on Opportunity: you will achieve clarity on the trends that matter

Align to Disruption: you will shift your thinking to the actions that matter

Unlock Creativity: you will discover that it's buried in your teams – and how you can let it out

Achieve Agility: you will learn more about the role of fast-teams

Enhance Your Speed: you will discover how to better align to our faster future

Accelerate Innovation: you will find ways to rethink your strategic pipeline

Deliver on Growth Opportunities: you shift from reactive defense to disruptive offense
